Departmental Registered Student Organization
Application Supplemental Questions

We recommend that this document is completed in tandem by the RSO and the Home Department.

Please answer the following questions to the best of your ability.

1) What risk exists/is mitigated by this relationship if this RSO does not become a DRSO of the proposed home department? What might be the impacts if this RSO is not designated as a DRSO?

2) What potential challenges do you anticipate if this RSO becomes a DRSO? What plans do you have to mitigate or address these challenges?

3) In reference to the question you answered above, please provide examples and additional detail for each of the ways the RSO & Home Department are related:

- Funding
- Space
- Advising
- Supervision
- Property
- Resources
