**Open Meeting**  
Sponsored by Mental Health Student Coalition
Want to learn more about mental health policies on-campus? Have an idea for a mental health related project? Have a concern you want to talk about? Want to get involved? Come to our meeting and let's talk! Everyone is welcome!

The Mental Health Student Coalition (or MHSC) is comprised of students who are considered mental health thought leaders at Georgia Tech. These students are some of the most informed and connected leaders when it comes to mental health initiatives. The coalition meets regularly throughout the year to maintain an active pulse on the latest programs and policies affecting mental health and, by nature of their collective understanding of complex mental health initiatives, serve as a hub of information for students, faculty, staff and administration.

**Diwali Exhibition**

Sponsored by BAPS Campus Fellowship

Our event will be an evening program which celebrates Diwali, the Indian festival of lights. The event will focus on informing the Georgia Tech community about traditional Indian culture through a cultural exhibition about Diwali, a festival celebrated by individuals from around the world. As attendees enter the event, they will go through an unique exhibition that will explain Diwali and its values through interactive activities. During the event, attendees will also experience a projection show, live traditional musical performances, and FREE food!

**Pajama Reading Program**

Sponsored by Mobilizing Opportunities for Volunteer Experiences
The Pajama Program Reading Center in Atlanta is committed to share stories with children around the community who often abandoned, neglected, living in shelters or temporary housing. They pledge to the inherent right of every person to have a loving bedtime and restful good night as the start of a positive, empowering good day.

Pajama Program is looking for volunteers to help out at the reading center. The MOVE STEM/Education committee is looking to take a group of Tech student volunteers and participate in the Pajama Program's reading party on November 5th from 10am to around 12pm. Volunteers must be at least 18 years old, complete a volunteer application and pass a background check. If you have any questions, please email echoi72@gatech.edu

Date: 11/5/19 | Time: 10:00 AM

Student-Focused Sessions for the Georgia Tech Strategic Planning Process
Sponsored by Student Government Association

Hosted by the Undergraduate and Graduate Student Government Associations, these sessions are designed to collect student input for President Cabrera's Strategic Plan. Students will be led through an appreciative inquiry session to isolate key values and goals for Georgia Tech over the next 10 years. Sessions such as this one are vital to collect input from students and student leaders about how they envision the future of Georgia Tech.

The dates include:
1. Tuesday, November 5th - 6:00PM-7:00PM - Skiles 171
2. Wednesday, November 6th - 4:30PM-6:00PM - EBB Krone, Children's Healthcare of Atlanta Seminar Room (**graduate student-focused session**)
3. Thursday, November 7th - 6:00PM-7:00PM - Skiles 202
4. Tuesday, November 12th - 6:00PM-7:00PM - Skiles 317
5. Thursday, November 14th - 6:00PM-7:00PM - Skiles 202

Good to Great: Moving from Short-term Success to Sustained Organizational Greatness
Sponsored by Center for Student Engagement
This event fulfills a requirement of the GOLD Route. To learn more about the GOLD Route, click here.

Don’t settle for just being a student org leader; be a great one. What makes leaders great? Is it their courage? Their elevated knowledge? Truly great leaders have a unique combination of skills. But they also possess something else; certain characteristics which are harder to define. If you’re new in your leadership role or have wondered how you can move beyond business as usual, this workshop is for you. Walk away with a clear vision for your organization with tangible steps to become a Level 5 leader—moving beyond producing success to sustained organizational greatness.

**Send Silence Packing® Exhibit**
Sponsored by Georgia Tech Counseling Center

Send Silence Packing® is bringing their nationwide exhibit to our campus as a part of their mission to end the silence that surrounds mental illness and suicide. In collaboration with our Counseling Center, the exhibit will take place on Tech Green from 10 AM – 4 PM and will showcase many backpacks – some donated by families who lost a student to suicide. Attached to the backpacks will be photographs and stories from those who have lost a loved one to
suicide. The Georgia Tech community is invited to stop by and read the stories throughout the day. To learn more about Active Minds and the Send Silence Packing® initiative, visit www.activeminds.org/sendsilencepacking. For all other questions regarding the day of the exhibit, please contact the Counseling Center at 404-894-2575.

Date: 11/7/19 | Time: 10:00 AM - 4:00 PM  
Location: Tech Green

**Cultural and Religious/Spiritual Organization Roundtable**  
Sponsored by Student Government Association

The Student Government Association’s Cultural and Diversity Affairs Committee (CDAC) is hosting a roundtable for all cultural and religious/spiritual organization leaders! This event is a part of a new SGA initiative called Collaborative Structures that allows SGA to partner with campus organizations. The roundtable will allow SGA to learn how it can help these organizations achieve their goals and share important information about SGA’s role on campus. This conversation will also allow SGA to collaborate with cultural and religious/spiritual organizations to create plans for strengthening their relationship.

Date: 11/7/19 | Time: 11:00 AM  
Location: Georgia Tech Student Center, 350 Ferst Dr NW, Atlanta, Georgia

**Brown Eyes, Blue Eyes: Linking Perception to Performance**  
Sponsored by Office of Student Diversity Programs

*This event fulfills a requirement of the GOLD Route. To learn more about the GOLD Route, click here.*

Explores how bias and perception impact people’s thoughts and behaviors - which leads to differences in treatment - resulting in differences in performance and productivity. Utilizing an updated version of the classic Jane Elliot video, Brown-Eyes, Blue Eyes, participants are gently encouraged to contemplate whether they may be creating exclusive work environments as well as their responsibility in eliminating isms in the workplace.

**Taste Of Africa 2019**  
Sponsored by African Student Association

Taste of Africa is a gala inundated with treasures of African cultures. Treasures in the form of art, food, comedy, dance and a host of other entertainments are concentrated to enable our audience to interact fully with our vast multitude of African cultures. Taste of Africa this year attempts to bridge the divide that exists between Africans on the continent and Africans who have emigrated from their respective countries to continue their lives outside the continent. This year’s theme, Africans Crossing the Generations, attempts to explore this generational divide and seeks to foster discussion on the cultural, social, economic, and political differences that contribute to this divide. The layout will
include a dinner and art galleries in the reception area, a series of skits and dances throughout Taste of Africa in the theatre, and an African inspired fashion show to highlight the event.

Date: 11/8/2019 | Time: 6:00 PM
Location: Ferst Theatre

**Student Diversity Programs is Accepting MLK Student Speaker Applications**
Sponsored by Office of Student Diversity Programs

The MLK Student Board is accepting applications for student speakers to participate in the 10th annual MLK Student Celebration. In addition to student speakers, this event will include cultural performances and a candle lighting ceremony for student organizations to honor Dr. King. It is truly an honor and privilege to be selected, and speakers will receive a gift as gratitude for participation. We are looking for energetic speakers that embody this year's theme of *The Beloved Community 2020: Student Activism and the Fierce Urgency of Now.* The Student Celebration will be Thursday, January 16, 2020 and the deadline to apply is November 16, 2019.

**Accessing Klemis Kitchen**  
Sponsored by STAR Program - Division of Student Life

Klemis Kitchen is Georgia Tech's on campus food pantry. It is stocked with food donated by community partners and recovered from the Georgia Tech Dining Halls. The service aims to ensure every student can eat three healthy meals a day and to reduce food waste on campus. Students who are given access to the pantry can benefit from these resources free of charge. For more information, contact the STAR Program Director, Steve Fazenbaker.

Date: All Semester
