President's Summit
Sponsored by Center for Student Engagement and SGA

President's Summit (or P-Summit) is a leadership development and training conference hosted by the Center for Student Engagement and the Student Government Association. Each fall, this event brings together Tech's returning and new leaders for a day of collaboration, training, information, and preparation with a collective goal in mind: preparing our organization leaders to make meaningful change in their student organizations.

President's Summit will feature modules that will be beneficial to all organizations, including navigating member recruitment and retention, and fundraising and finances for student orgs. New this year, we'll also feature
Graduate student specific workshops and include a special conversation with President Ángel Cabrera and VP & Dean of Students John Stein.

Date: 9/29/2019 | Time: 9:00 AM - 2:45 PM  
Location: Student Center Ballroom

Is Religious Faith Provable
Sponsored by Why Should I Believe

Religious faith is often considered to be faith unprovable. Or, to put it another way, faith-related claims are often considered to be impossible to prove. The question of the day becomes what does it actually mean for something to be proven? Join Why Should I Believe on Monday at 6:30 in room 109 of the Instructional Center as we discuss the nature and role of proof in faith-related dialogue.

Fall Yoga Retreat - The Journey home
Sponsored by Bhakti Yoga @ GT

Join us on an adventurous retreat! Rejuvenate with yoga. Become attuned to nature. Cultivate the sanctuary of body, mind and soul! Our fall break road trip starts from downtown Atlanta and ends at the scenic Seminole State Park. This southwest Georgia park is on beautiful Lake Seminole, a 37,500 acre reservoir. We will camp near the water that offers breathtaking views. Quick access to the lake offers an excellent venue for daily yoga lessons. Wildlife is abundant throughout Seminole. A nature trail leads past gopher tortoise burrows and one of the largest long leaf pine forests. Come join our family and celebrate the awesome opportunity to: Camp under the stars, Perform Ashtanga, Pranayama and Sound Meditation with the rising and setting sun. Swim in the calming waters of Seminole Lake! Experience Ayurvedic healing/massages from experienced instructors. Deepen our understanding of intentionally tuning our
consciousness and the mind. Read spiritually deep books in circles of compassion. Sing and dance in the wilderness around bonfires into the night! Interact with yoga experts and youth counselors on living a balanced life in a chaotic world. Share the deepest stories and our personal realizations about life's greatest gifts, and have the most awesome camping trips with the most awesome people!!!

**Fall Break Trip to Cloudland Canyon**  
Sponsored by Trailblazers

Trailblazers invites you to our Fall Break trip to Cloudland Canyon State Park! Brimming with stunning waterfalls, gorgeous canyons, and forest as far as the eye can see, this land in the heart of the North Georgia is the perfect getaway for the busy Georgia Tech student. Our trip includes an afternoon exploring the charming town of Chattanooga, two days of taking in the views through scenic day hikes, followed by a day of service work to support keeping the State Park beautiful and accessible for all visitors. Alongside a park ranger, our work may involve building needed trail infrastructure, maintaining existing trails, and removing damaging invasive species. Trails we will hike will take around the canyon rims exposing panoramic views of forested mountains, scenic rivers and waterfalls, and the heart of the Appalachian forests, and will be accessible to all skill levels. In addition to hiking and trail service, there will be ample opportunity for stargazing, campfire songs, getting to know your fellow Tech students, and unwinding from the hustle and bustle of school. The cost of the trip is in the range of $50-100 (depending on number of people signed up) which includes everything required. Logistics-wise, we will be leaving campus Saturday morning October 12th, camping in tents at a car-accessible campsite in the forest, and returning Tuesday October 15th in the afternoon.
