Open Meeting
Sponsored by Mental Health Student Coalition
Want to learn more about mental health policies on-campus? Have an idea for a mental health related project? Have a concern you want to talk about? Want to get involved? Come to our meeting and let's talk! Everyone is welcome! The Mental Health Student Coalition (or MHSC) is comprised of students who are considered mental health thought leaders at Georgia Tech. These students are some of the most informed and connected leaders when it comes to mental health initiatives. The coalition meets regularly throughout the year to maintain an active pulse on the latest programs and policies affecting mental health and, by nature of their collective understanding of complex mental health initiatives, serve as a hub of information for students, faculty, staff and administration.

**Stretch out the Stress**  
Sponsored by SKY

SKY at Georgia Tech invites you to discover yoga! In this amazing session, we will discover yoga beyond just physical exercise. We will unravel how yoga is a way to unite the mind, body and spirit through a combination of asanas (yogic stretches), breathing exercises and meditation. We explore how yoga helps us develop "Skill in Action" and reduce stress, anxiety and depression leading us to a relaxed, productive and joyful state of mind. We will be serving refreshments as well.

**Surprised by God: Atheist Conversions to Christianity**  
Sponsored by Why Should I Believe

Dr. Jana Harmon recently finished her Ph.D. at the University of Birmingham, England in which she investigated atheist conversions to Christianity. Specifically, she surveyed and interviewed 52 former atheists to understand
what formed their belief as atheists, what allowed them to turn in a different
direction, and the ways God drew them towards conversion. Considering the
academy reduces religious conversion to mere socio-psychological motivations,
she wanted to see if and what role intellectual belief and spiritual experience
played in the process. She will be interweaving conversion stories into her
findings. Q&A to follow.

Invisible Bisexuals? It's more likely than you think.  
Sponsored by Pride Alliance
Bisexuals can go invisible!?! Governments hate this one simple trick. The B in LGBT refers to bisexuality, but bisexuality is just one of many so-called middle sexualities. Monday, 9/23 is Celebrate Bisexuality Day, so come join us as we learn about the spectrum of middle sexualities and talk about the misconceptions and bigotry that those who identify as one of the middle-sexualities face.

Y’all means all: this is an event for at LGBTQIA+ folks and their allies. Please email pride@gatech.edu if we can provide any accommodations to make this event more accessible or if you have any questions.

Fall Break Trip to Cloudland Canyon
Sponsored by Trailblazers

GT Trailblazers invites you to our Fall Break trip to Cloudland Canyon State Park! Brimming with stunning waterfalls, gorgeous canyons, and forest as far as the eye can see, this land in the heart of the North Georgia is the perfect getaway for the busy Georgia Tech student.

Our trip includes an afternoon exploring the charming town of Chattanooga, two days of taking in the views through scenic day hikes, followed by a day of service work to support keeping the State Park beautiful and accessible for all visitors. Alongside a park ranger, our work may involve building needed trail infrastructure, maintaining existing trails, and removing damaging invasive species. Trails we will hike will take around the canyon rims exposing panoramic views of forested mountains, scenic rivers and waterfalls, and the heart of the Appalachian forests, and will be accessible to all skill levels.

In addition to hiking and trail service, there will be ample opportunity for stargazing, campfire songs, getting to know your fellow Tech students, and unwinding from the hustle and bustle of school.

The cost of the trip is in the range of $50-100 (depending on number of people signed up) which includes everything required. Logistics-wise, we will be leaving campus Saturday morning October 12th, camping in tents at a car-accessible campsite in the forest, and returning Tuesday October 15th in the afternoon.
